LIFE OF LUXURY

Space-saving baths

Ly^Lying in a 40°C bath can effectively reduce your blood sugar levels and an hour spent in the tub can burn around 126 calories, according to research conducted by Loughborough University.

The Albion Bath Company's Tubby Torre deep-soak bath is perfect for even the tiniest bathrooms measuring just 1,200mm (or 4ft) in length, and can be colour matched to any Deluxe Trade or Farrow & Ball paint. Alternatively, for an industrial look, the company also offers 'burnished' metal finishes including Gold, Iron and Bronze (shown).

FINISHING TOUCH: SPLASHBACKS

£ Gemini's Crackle Bone Tile is a sleek and subtle offering that introduces warmth into the kitchen with a tactile finish. From £49.99/m². (www.ctdtiles.co.uk)

££ Alusplash is an aluminum-based splashback — an alternative to traditional glass and acrylic. Petrol Blue splashback shown. Prices start from £109. (www.alusplash.com)

£££ A classic look, the Emerald Real Stone splashback from Luncks Real Stone is high heat, water, scratch, UV and stain resistant. £680/m². (www.luncksrealstone.com)
